PROFESSIONAL SUMMARY

My objective is to work in the field where I can utilize my Engineering knowledge in Computer Science & Engineering (CSE) and drive high-quality development as a Senior Software Developer. I have over a decade of experience specializing in web application development across various domains, including Finance and News Portals. I bring expertise in end-to-end web development, leading projects using PHP, HTML, CSS, JavaScript, and database technologies like MySQL - primarily on the Joomla, Symfony, CodeIgniter and WordPress platforms.

TECHNICAL SKILLS

- PHP
- Joomla
- CodeIgniter
- WordPress
- Symfony
- JavaScript
- jQuery / Ajax
- HTML5
- CSS3
- Bootstrap
- Responsive Design
- MySQL / SQL
- Git
- REST APIs

EDUCATION

BE (Computer Science & Engineering) - Shivaji University, 2016 (First Class)

Diploma in Computers (CO) - MSBTE, 2012 (64.23%)

S.S.C. - Kolhapur Board, 2008 (67.23%)

Languages: English, Hindi, Marathi, Bhojpuri

KEY STRENGTHS

- **Quick Learner & Adaptable:** Easily adoptable to new techniques and keeping current with evolving technologies.
- **Team Player & Active:** Active participation in team efforts and a sincere approach to all tasks.
- **Passion for Code:** Love for playing with code and bringing innovative solutions to projects.
- **Discipline:** Sincere and disciplined approach towards project commitments.
